### Show class „JUMP AND DRIVE“ rules:

A team for this competition consists of two people, the Rider & the Driver. A rider is allowed to drive the car himself/herself. Driver's name must be given to Show Office before the class or when making an entry. All drivers must have a valid driver's licence to be allowed to participate in this class. It is strictly forbidden to participate in this class with any amount of alcohol in blood. A driver breaching this rule is fully responsible for any damages caused by her/him.

The course consists of: 6– 7 obstacles that are jumped with a horse and 4 – 6 cone gates, that should be passed between, by a car.

The course starts from obstacles that are jumped mounted. This part of competition is judged under table C. After jumping all obstacles for horse in the course, a rider must reach holding box, where a Groom is waiting to hold the horse. The rider then must move forward to the car. A car is placed between the start gates in arena. The driver must be waiting at a marked place not far from the car. Once he reaches the driver, both get into the car and start the drive through cone gates in correct order. Knocking down a ball from cone gates will result in 4 penalty seconds added to the total time. Once the car crosses finish line, final result is recorded. The rider with the shortest time for her/his round is the winner.
